Please keep in mind while a shoot may be 30 minutes, there is even more time involved for sorting, editing, touch-ups, effects, preparing and posting proofs, cropping for chosen prints, ordering, cutting, etc.

Events times listed as + means extra time is up to the photographer, but the time stated is the minimum.

If you don't see a package that suits your needs, please send us info about a custom package, and we will reply with a quote. Include time required, prints (quantities and sizes), and location, as well as any of the add-on items or Critter Express Products.

All Packages include for a distance of 20 miles.
